WHAT IS THE VIBE?

NOW OPEN AND READY TO EXPLORE, VIBE HOTEL CANBERRA AIRPORT OFFERS MORE THAN YOU EXPECT.

Just a stroll from the terminal and a ten minute drive from Canberra's CBD, Vibe Hotel Canberra Airport's doors are open for business.

Guests walk into an eye-catching full height atrium, with a surreal spiral view of the six levels above. The gold trumpeted chimney will entice you to the fire pit for some lounging and TV watching.

Helix Bar & Dining offers an aviation inspired cocktail, or perhaps a snack from the extensive bar menu, while waiting for a flight or to welcome a new arrival. Helix Bar & Dining also offers a European inspired menu, with an emphasis on local Australian produce. Head Chef, Michael Chatto, is focusing on shared dishes and will feature touches of French sophistication and Spanish flair, with some relaxed Italian cuisine.

'Helix' comes from the aeronautical term associated with the spiral shaped airflow behind a rotating aircraft propeller. The gold louvres featured on the lower ground floor and the anodized hoops in the windows and behind reception also add to that subtle aviation feel.

Open just in time for Christmas celebrations, visiting family and friends and those Friday night drinks after work - check out the Vibe.

INTERNATIONAL TALKS

CANBERRA AIRPORT ON A MISSION TO GET DIRECT FLIGHTS TO THE WORLD.

Following a fruitful meeting with China Southern Airlines in Guangdong Province last year, Canberra Airport stepped up the campaign for direct international flights from China with another meeting at the end of June, as part of an ACT Government trade mission to China.

Executive Chairman Terry Snow and Managing Director Stephen Byron joined ACT Chief Minister Andrew Barr to meet with China Southern President and CEO Mr Tan Wangeng in Guangzhou.

The meeting provided an opportunity to focus on the aviation potential associated with Canberra and to further develop the relationship with China Southern, exploring passenger and freight opportunities between Guangdong and the ACT.

The next step is another trade mission this month, with Canberra Business Chamber to Singapore and Malaysia, with meetings and events organised with key tourism and trade partners.

A GREAT PLACE TO DO BUSINESS

TENANTS RE-SIGN AND NEW TENANTS SIGN UP.

Barbeques Galore are re-locating from Fyshwick to Majura Park, near the Majura Park Medical Centre. Due to open mid November.

Toll Remote Logistics and **Toll Transitions** have both recommitted to Brindabella Business Park for a further term.

Moulis Legal have experienced 37% growth while being located at Brindabella Business Park and have renewed for a further 5 years.

Australian Airports Association has experienced significant growth of 93% over the last 12 months with an expansion into a new location within Brindabella Business Park.

QinetiQ who have been a tenant in Brindabella business Park since 2010, have recommitted to a further term while expanding in size.

ACT Cancer Council will continue their great work within the local community from Fairbairn as they recently signed on for a further term.

Lead Developments are new tenants with two units in Fairbairn. Lead Developments provides innovative solutions for participation and employment for the disabled.

The above shows the ability for the business parks to cater for business expansion, as well as the diversity of our tenants. For our tenant directory, go to www.airportbusinessparks.com.au.

CANBERRA AIRPORT'S SAFETY WEEK BROUGHT AVIATION PARTNERS TOGETHER TO PROMOTE THE IMPORTANCE OF SAFETY.

KEEPING SAFE

CANBERRA AIRPORT'S RECENT SAFETY WEEK DEMONSTRATES A PROACTIVE APPROACH TO SAFETY.

Canberra Airport's departures area recently became the 'Safety Headquarters' to promote Airport Safety Week.

The week was a great success with staff, travellers, tenants and contractors now thinking more about safety.

AWARD WINS

CANBERRA AIRPORT WINS NATIONAL AWARDS FOR SUSTAINABILITY AND INNOVATION.

Canberra Airport was recognised by the Australian Airports Association for its environmental initiatives and awarded the Environmental Management Award for the 'Resource Reduction Program.'

Canberra Airport was among the first airports in the world to introduce trigeneneration technology which generates it's own electricity, heating and cooling.

For more information on Canberra Airport's environmental initiatives www.canberraairport.com.au/environment.

FREIGHT SYMPOSIUM

CANBERRA AIRPORT TO HOST AN INTERNATIONAL AIR FREIGHT AND TRADE SYMPOSIUM.

Canberra Airport is keen to ensure businesses across the region are 'export ready' and primed to take advantage of the trade opportunities that will come with direct international flights.

A symposium addressing the regional opportunities for international trade, with an emphasis on air freight, will be held at Canberra Airport on 12 February 2016.

If you are keen to come along or receive a copy of papers, please register your interest at www.canberraairport.com.au/freight.

DAVID TAYLOR, CURATOR AT THE AUSTRALIAN NATIONAL BOTANIC GARDENS, PROVIDES A TALK ON NATIVE PLANTS FOR TENANTS.

FIRST SUBURB WITH SOCIAL HOUSING INITIATIVE

THE SNOW FOUNDATION PROVIDES SEED FUNDING FOR NEW PROPERTY INITIATIVE.

The Snow Foundation has always had an interest in helping people who are homeless and those initiatives that house them. The Snow Foundation provided the initial seed funding back in 2013 that has led to Capital Estate Developments working with Homes for Homes. As a result, the new suburb Denman Prospect, consisting of 2,000 land titles, will be contributing 0.1% of each sale to bettering the lives of Canberra's homeless.

This is the first suburb in Australia to introduce this caveat into its sales contracts. So for every \$500,000 sale, \$500 is invested into social and affordable housing in the ACT. This provides people with a simple opportunity to make a difference.

KEEP AUSTRALIA BEAUTIFUL

BRINDABELLA BUSINESS PARK CELEBRATED KEEP AUSTRALIA BEAUTIFUL WEEK IN AUGUST WITH GARDEN TOURS, TALKS AND GIVEAWAYS.

Kathryn Scarano from Canberra Airport launched the week at a free morning tea, saying "this year's theme - It's Everyone's Backyard - portrays the enjoyment and responsibility we all have in taking care of the environment around us".

We gave away 400 reusable coffee cups, 200 native seedlings, took a group of tenants on a garden tour, and even had a visit from David Taylor from the Australian National Botanic Gardens, all to celebrate our beautiful work surrounds.

Canberra Airport's business parks are well-known for their award-winning landscaping, with a dedicated team continually maintaining and perfecting the surrounds for the enjoyment of all our tenants.

CHRISTMAS AT THE AIRPORT

The Christmas decorations are up, the Hotel is open for Christmas soirees and Santa is on his way for the Brindabella Business Park Childrens Christmas Party. For getting organised with those gifts, the markets will be in town square on November 26. Roving carol singers, a Giving Tree and Airfest will also get you in the spirit.

For what's on, go to www.airportbusinessparks.com.au/events.
